General Business

- School lunches- There had been a discussion in the past about the possibility of ordering school lunches online. Will the school consider this for 2018?
- Uniforms- Unlike previous years, children are leaving school in sports uniforms and without ties. A question was raised about whether this is a short term policy due to the warm weather or if this is a more permanent change in uniform policy.
- Golf Day Update- Golf Day is all set to go for the 18th March. It will be a fun day with a champagne breakfast, a lot of prizes and a light lunch. You can register a team of 4 or as individuals online by visiting the SSA events page on the Southwell School website.
