Strategic Vision

Per Aspera Ad Astrum

Southwell's future relies on all of us

United as Southwell

Our Southwell children:

- are challenged to learn deeply, widely, creatively and actively
- are challenged to act with grace, integrity, courage and humility

By a Southwell Community that is united:

- Setting high expectations
- Leading, designing and achieving
- United as Southwell we are collectively stronger than our great many strengths

United as Southwell

United as Southwell is our strategic vision for Southwell School.

It is the outcome of a years work, whereby all members of the Southwell community have had the opportunity to share their voice.

We are thankful for the time, thinking, ideas, enthusiasm and passion that helped construct this pathway forward for Southwell.

In an active and changing world 'United as Southwell ' allows our School to continue it's great traditions and flourish as a leading New Zealand School into the future.

**United as Southwell will
