Dear Parents and Guardians

### **Domestic Tuition and Boarding Fees 2021**

The Southwell School Trust Board has set the 2021 tuition fees, as shown in the table attached.

Southwell is thriving with our skilled staff committed to producing an outstanding all round learning environment for our children. As we enter our 110th year, we have significant waiting lists across our age levels.

With a guideline roll of approximately 650 students, we are a relational community where offerings are personalised. We believe in quality learning with high teacher to student ratios and small class sizes.

In 2021 we are:

- conscious of the significant increases to state school teacher salaries that stabilise in this year
  - dedicated to enhancing our educational offerings through building our teachers professional knowledge and skills
  - continuing to provide great resources and facilities
- all crucial in enabling the best possible holistic education for our children.

The Trust Board would like to thank you for your support of Southwell and we look forward to a great 2021.

Yours sincerely

Gary Mollard  
Board Chairman  
Southwell School
