

UNIFORM INFORMATION FOR NEW STUDENTS

Dear Parents & Caregivers,

Welcome to Southwell School. This email is to give you some information on school uniform, and instructions for booking uniform appointments for students starting at Southwell in January 2022.

Southwell School uniform is worn with pride both on and off school grounds. Blazers and ties are worn everyday and all students have a summer and winter uniform. Students also require a Number One (formal) uniform for special occasions, a PE and sports uniform. More information on our uniform can be found on our school website <https://southwell.school.nz/every-day-southwell/school-shop/>

The Uniform Shop caters for all your school uniform requirements, including regulation shoes and sandals. We are open daily during term time 8am - 4pm, and additional hours during school holidays.

All new students to Southwell need to book a Uniform Appointment to purchase their uniform. This is a one-on-one service we provide to ensure every student is prepared with all the uniform items they require. Uniform Appointments will run from late November through to late January. To make an appointment for your child please go to <https://www.schoolinterviews.co.nz/code/e8z6p> Appointment times will be accessible from today (November 15th). More information on appointments and how to book can be found in the New Students tab under Uniform Shop on the school website.

To adhere to covid regulations, we ask that only one parent attends the uniform appointment with your child. Please ensure that all adults and children Year 4 and above wear a face mask when attending your appointment.

For any uniform enquiries please contact Manager Tess Benseman or Sales Assistant Gillian Lyon at uniform@southwell.school.nz or phone 07 855 2089.

We look forward to welcoming you to Southwell School.

Kind regards,

Tess Benseman

Uniform Shop Manager
